

Spring has arrived, and with warmer weather, many community events are being announced across the county.

This month, my office and I have been busy! At this week's Board of Supervisors meeting, I introduced an agenda item that allocated \$10,000 of discretionary funds toward Villa Park High School's "Every 15 Minutes" program, an educational initiative aimed at raising awareness about the dangers of drunk driving.

I also had the honor of being the guest speaker at the Anaheim Chamber of Commerce's Government Affairs Committee, where I discussed public safety, the veterans' cemetery in Anaheim Hills, and AQMD's proposed environmental regulations.

Additionally, I presented Sandy Marshall, Chief Marketing and Development Officer for Girl Scouts of Orange County, with a proclamation recognizing the 113th anniversary of the Girl Scouts of the USA.

My staff has also attended several grand openings and ribbon-cutting events across the district, showcasing the vibrant business growth throughout Orange County.

March has been a productive month, and I look forward to what April has in store!

Board of Supervisors Approves Supervisor Wagner's \$10,000 Allocation to Villa Park High School's *Every 15 Minutes* Program

SANTA ANA, CA – At the March 25 Board meeting, the Board of Supervisors unanimously approved Supervisor Don Wagner's allocation of \$10,000 of Third District discretionary funds to support Villa Park High School's *Every 15 Minutes* program.

Every 15 Minutes is an educational program that Villa Park High School has implemented to educate its students about the dangers of impaired driving. It has already secured a \$10,000 grant from the California Highway Patrol to cover half the program's cost. Supervisor Wagner's funding will provide the remaining amount needed to fully implement the program.

"*Every 15 Minutes* is a powerful educational program that teaches high school students about the dangers of drinking and driving," said Supervisor Wagner. "This initiative encourages students to make responsible and informed decisions regarding impaired driving, and I am proud to fill the funding gap to support this vitally important program."

Supervisor Wagner's decision to support this initiative reflects his continued support for investing in the safety and well-being of our community's youth and will ensure that over 1,000 students receive critical education on DUI prevention.

OCTA Seeks Applicants for Taxpayer Oversight Committee

Members of Taxpayer Oversight Committee ensure Measure M tax dollars are allocated as intended

ORANGE – The Orange County Transportation Authority is seeking qualified volunteers to serve on the Taxpayer Oversight Committee, the committee that ensures transportation funds are being spent as intended.

The Taxpayer Oversight Committee (TOC) is an 11-member committee that monitors OCTA's use of Measure M funds. The half-cent sales tax for transportation improvements was overwhelmingly renewed in 2006 after first being approved by voters in 1990.

Recruitment to the TOC is currently taking place through May 4, 2025, for openings in the First, Third, Fourth and Fifth Supervisorial Districts of Orange County. Interviews of interested and qualified candidates will be held May 12 – 16.

The committee reviews the use of the local sales tax funds, ensuring that all revenue collected are spent on voter-approved transportation projects. The Measure M plan improves and preserves Orange County's quality of life, keeping people moving while minimizing impacts to the environment.

Measure M is a balanced plan, expected to generate approximately \$14 billion through 2041, with 43% of the net funding dedicated to freeway improvements, 32% to local street projects and 25% to transit.

Applications for a three-year committee term, which runs from July 2025 to June 2028, will be accepted through May 4. Applicants must be Orange County residents, at least 18 years old and live in the Supervisorial District that they will represent.

The **Third District** consists of the cities of Lake Forest, Mission Viejo, Rancho Santa Margarita, Villa Park, Yorba Linda, portions of Anaheim, Irvine, Orange, Tustin, the unincorporated communities of Modjeska, Silverado, Trabuco Canyon, Williams Canyon, and a portion of the unincorporated community of North Tustin.

Applications for the volunteer position are available at octa.net/TOCrecruitment.
