I want to thank my family, my staff, all the employees of the County of Orange, and especially the residents of the Third District for making 2025 a very successful year! Wishing you all a very Merry Christmas and a Happy New Year!

See you all in 2026!

# BOARD OF SUPERVISORS APPROVES SUPERVISOR WAGNER'S ESSENTIAL FUNDING FOR ORANGE COUNTY ANIMAL RESCUE TEAM

(Santa Ana, CA) – At the December 16<sup>th</sup> Board of Supervisors meeting, the Board unanimously approved the allocation of \$75,000 from Supervisor Wagner’s Third District discretionary funds to El Rodeo Rescue. This grant funds the new Orange County Animal Rescue Team (OCART). Under the Plan of Cooperation between the County of Orange and OCART, trained volunteers will be deployed to evacuate large animals during emergencies.

“In late 2023, the San Juan Capistrano Large Animal Rescue Team stopped providing resources countywide, creating a gap in a vital service for large animal evacuations,” said Supervisor Wagner. “Over the past several months, my office has worked closely with the Orange County equestrian community to establish a County-supported program with dedicated volunteers willing to assist during emergencies. I am delighted to offer this resource, providing owners of large animals peace of mind in the case an evacuation is ever needed.”

“I want to express my gratitude to Don Wagner for sticking with us and getting this job done,” said Bill Kolvstad, Founder of El Rodeo Rescue. “We’ve worked hard, we’ve had a lot of patience, but the work is really going to start now. I’m really excited that the citizens of Orange County that are horse owners can find trust in

our organization when there is a disaster, we can be of great assistance to get them out of harm's way and let the firemen do their work and be able to take them to shelter. It's an exciting day to know that the citizens of Orange County will have a team that will be competent to get the work done that's needed."

"I am very thankful to Supervisor Don Wagner for pushing this through and making sure it finally came to fruition," said Sherry Panttaja, President of the Orange Park Association. "This is something we've been working on for many years, so that we can help all the neighborhoods throughout Orange County and make them feel like they've got somewhere to go to when there is a fire and be prepared."

"I want to thank Supervisor Wagner for making this happen for us," said Dee Dee Friedrich, President of Yorba Linda Country Riders. "We're super excited about it. Now we have a program to get the horses and other large animals to safety."

"It's very important to make sure that the animals are taken care of and to get out early, and in order to do that, we needed to have a good team in place, and now we finally have one," said Joanne Hubble, Canyon Community Representative. "Thanks to Don and his team, the hard work of Bill and Dee Dee, we got it done."

The funds approved will cover costs related to insurance, training supplies, a rescue trailer, volunteer equipment, and other necessary materials. OCART will be a trained volunteer team dedicated to assisting with large animals during emergencies, especially wildfires throughout Orange County.

Supervisor Wagner's top priority is the public safety of Orange County, and ensuring the equestrian and ranching communities have a robust, well-coordinated emergency response team is essential toward strengthening and improving the County's disaster response capabilities.

FOURTH ANNUAL TROUT FISHING  
DERBY

With an estimated 1300 people in attendance, the Fourth Annual Trout Fishing Derby was an incredible success!

Hundreds of people were lined up outside gate to the lake before the sun even rose, and spent the entire day reeling in fish on a wonderful sunny day of family friendly fun.

The largest fish came in at 5.22 lbs, with second place at 5.09 lbs, and third place at 3.21 lbs.

Congratulations to the top three winners of the largest caught fish!

A big thank you to Orange County Parks and James Events for all their hard work in coordination with our office to make this happen. We couldn't have done this without you!

As a token of my appreciation to OC Parks for their partnership in this fantastic annual event, I presented OC Parks Director Pam Passow with a certificate of recognition. We look forward to working with you in the years to come.

And to everyone who came out to today's event, we hope you had a wonderful time! Until next year!

## TUSTIN & ORANGE MENORAH LIGHTING

On Sunday night, I joined with the Tustin Jewish community and Rabbi Shuey Eliezrie of the Tustin Chabad in the Menorah lighting for the first night of Hanukkah. That same evening, my Field Representative, Al Tello, participated with Orange Mayor Dan Slater in a Menorah lighting with the Orange Jewish community.

Sunday's terrorist attack at Bondi Beach in Sydney, Australia, cast a pall over the ceremonies. Good people of all religions, or no religion, must condemn these killings. I especially wanted to be with our friends in the Jewish community on this night, in the shadow of Bondi Beach, to celebrate the Festival of Lights, lights that hopefully will drive away those shadows.

Despite the backdrop, the celebrations were joyous, filled with friends and family, love and laughter, and lots of latkes! I thank Rabbi Eliezrie for the chance to share the evening with him and wish all of our Jewish neighbors in Orange County a very happy Hanukkah.

# FALCK HEALTH INSTITUTE GRAND OPENING

My Field Representative, Pat Buttress, presented a proclamation to the Falck Health Institute at its ribbon cutting on November 14.

Congratulations on your grand opening!

# GOODWILL OF ORANGE COUNTY FOOTHILL RANCH GRAND OPENING

My District Director, Scott Voigts, and Community Outreach Director, Saga Conroy, presented a certificate of recognition to Goodwill of Orange County for its Grand Opening Celebration of its new Foothill Ranch Store and Donation Center.

This marks another exciting milestone of Goodwill as it expands its footprint in Orange County.

Congratulations on your grand opening!

## 2025 YOUNG CIVIC LEADERS ACADEMY

My Field Representative, Pat Buttress, presented certificates to the 20 City of Yorba Linda students who completed the Fall 2025 Young Civic Leaders Academy.

All of these students enjoyed the program, which allowed them to understand civic engagement and the need for all residents to get involved in their local government. This program was started by Councilmember Tara Campbell during her first year as Mayor.

Congratulations to all these young people completing this program, and for their interest local government affairs.
