Thank you for subscribing to my newsletter. Please share it with any of your friends who might be interested in the county and what we can do to be helpful.

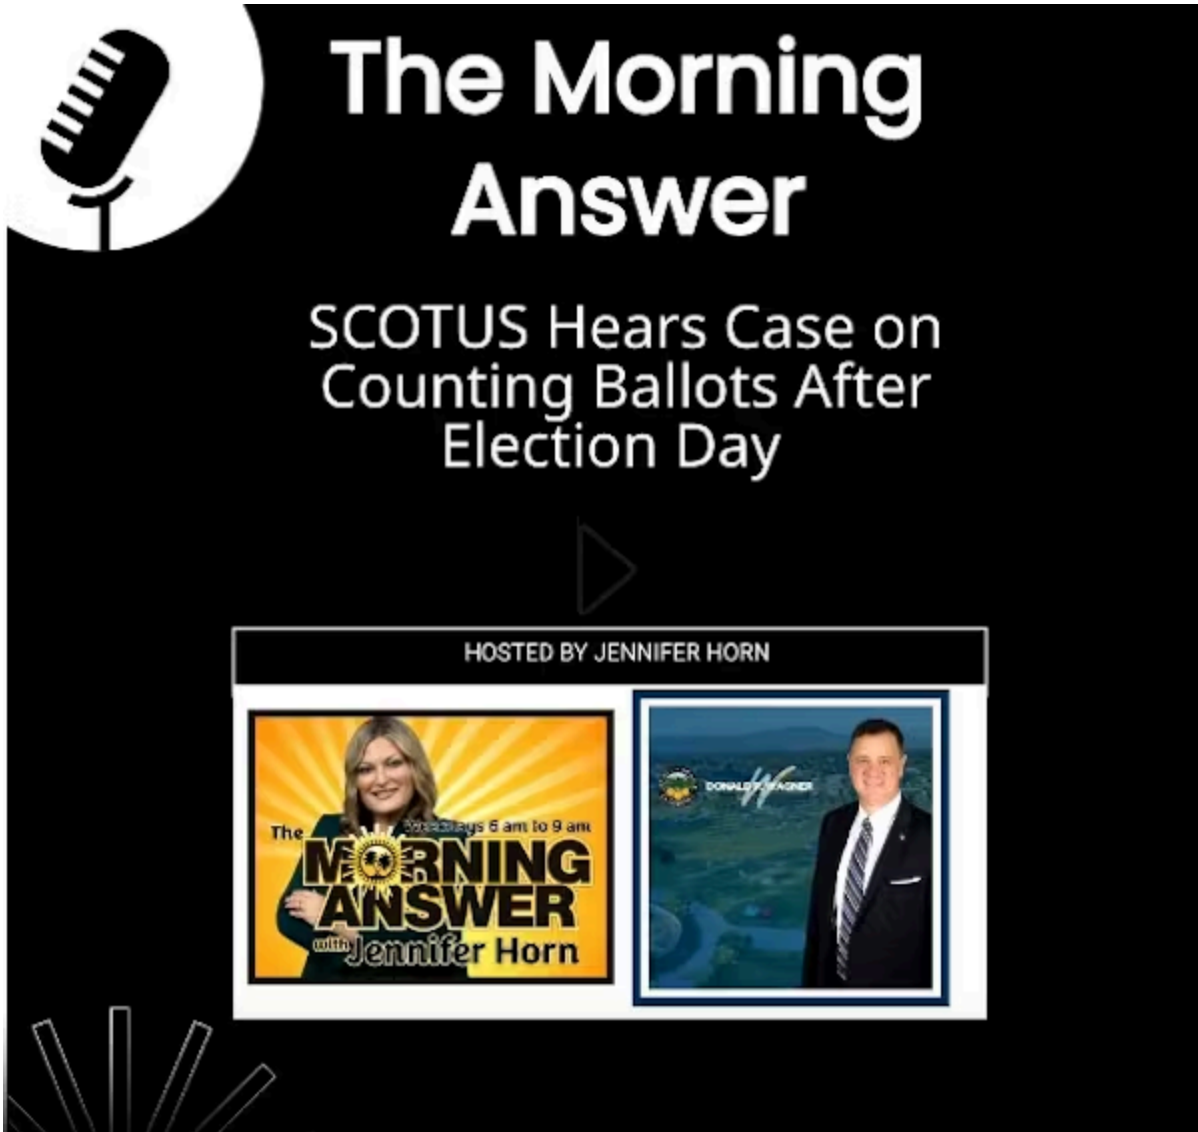

We're in April, and spring is in full bloom. My office and I have been busy, participating in community forums and providing updates on county projects and activities.

Over the past few weeks, among other things, I had the pleasure of participating in the groundbreaking for the Altrudy II Senior Complex in Yorba Linda, speaking to the California Association of Public Cemeteries at its 68th annual conference, as well as joining the Santiago Retreat Center for Good Friday celebrations.

It has been a productive spring so far, and I look forward to what lies ahead!

IN THE NEWS

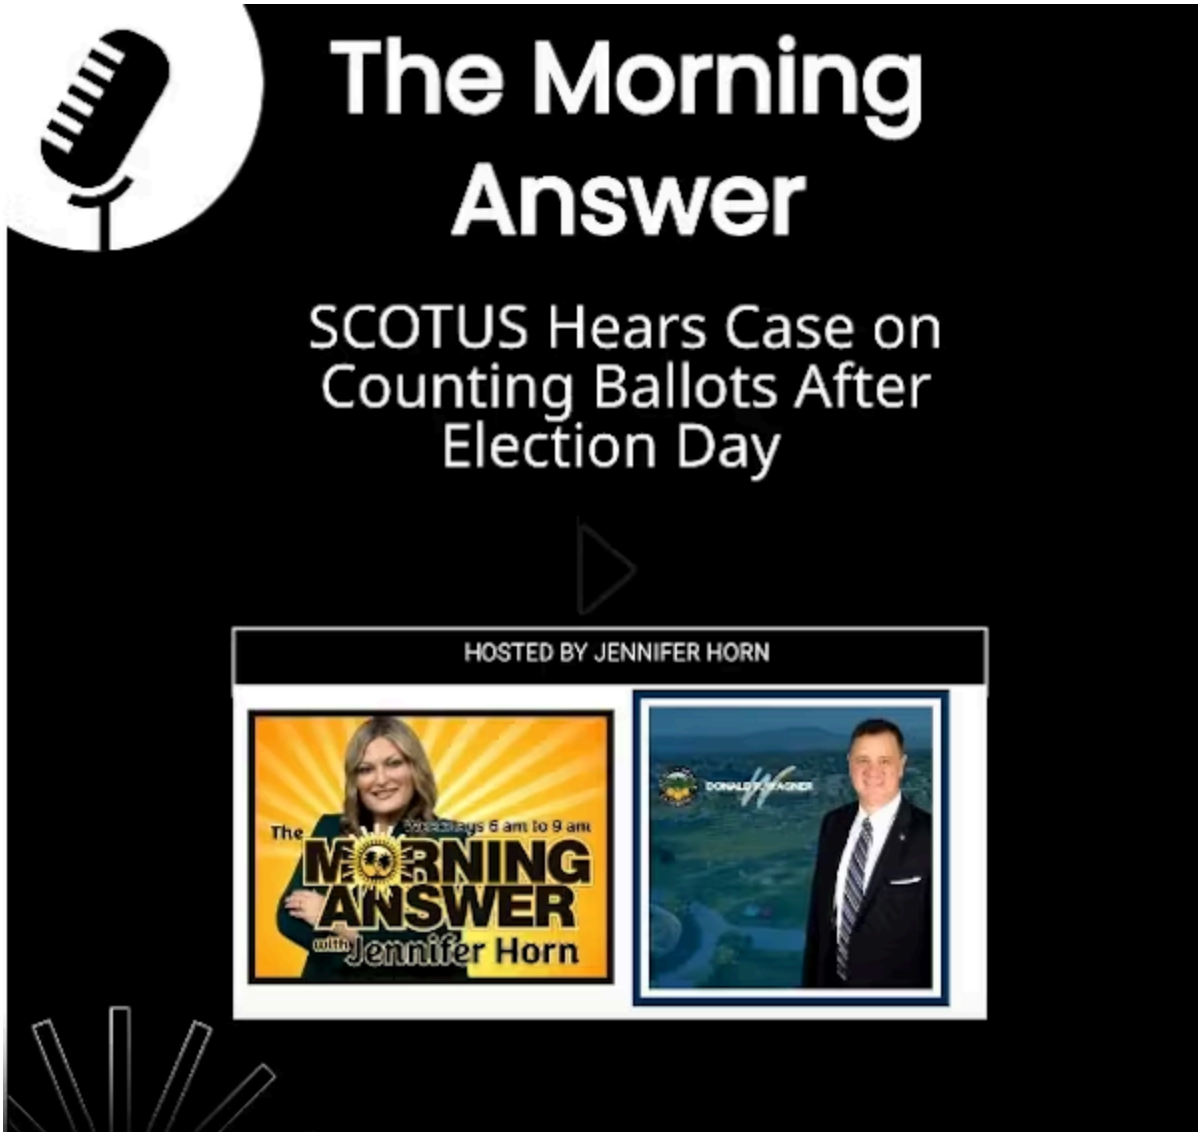

THE MORNING ANSWER

The Morning Answer

SCOTUS Hears Case on Counting Ballots After Election Day

HOSTED BY JENNIFER HORN

The graphic features a black background with a white microphone icon in a circle on the left. The title 'The Morning Answer' is in large white font. Below it, the text 'SCOTUS Hears Case on Counting Ballots After Election Day' is displayed. A play button icon is centered below the text. At the bottom, a white-bordered box contains two images: on the left, a promotional image for 'The Morning Answer with Jennifer Horn' showing her against a sunburst background; on the right, a portrait of Donald Wagner in a suit against a blue background with a globe and the text 'DONALD WAGNER'.

Check out my latest interview with Jennifer Horn on the The Morning Answer, where we discuss the Supreme Court's latest case on states counting mail-in ballots after election day.

IN THE COMMUNITY

ALTRUDY II SENIOR COMPLEX IN YORBA LINDA

It was my honor to attend the groundbreaking ceremony for C&C Development's new project in Yorba Linda, the Altrudy II Senior Apartment complex.

This facility will have 64 units of one and two bedrooms, a community room, dog park, BBQ pavilion, exercise facility, and elevator service. The design on both this and the Altrudy I project have been welcomed by the neighborhood.

Congratulations on this groundbreaking. We wish C&C Development success in the construction of this new complex for our senior citizens.

GOOD FRIDAY STATIONS OF THE CROSS

My staff and I joined Orange County's Catholic community at the Santiago Retreat Center for its annual Good Friday Stations of the Cross, commemorating

Jesus Christ's passion and crucifixion, culminating in his resurrection on Easter Sunday.

ORANGE LUTHERAN HIGH SCHOOL GALA

I attended the Orange Lutheran High School Gala held at the Nixon Library in Yorba Linda. The Gala featured a large silent auction, a wonderful student musical performance, a dinner, live auction, and festivities afterwards.

As always, Orange Lutheran held a wonderful Gala, and I look forward to next year's!

CALIFORNIA ASSOCIATION OF PUBLIC CEMETERIES' 68TH ANNUAL CONFERENCE

I recently made welcoming remarks during the California Association of Public Cemeteries' 68th Annual Conference, an event that was well-attended by public officials that are serving on various cemetery district boards throughout the state.

It was an honor to welcome these officials to Orange County, and to share our progress on Orange County's newest public cemetery and very first veteran's cemetery.

Thank you to all those who attended, and to the Orange County Cemetery District for all the work it does to serve our county.

ANNUAL CRIME VICTIMS' RIGHTS CEREMONY

My office attended the Orange County District Attorney Todd Spitzer Office Crime Victims' Rights Ceremony.

This year's theme, Driven to Despair: The Deadly Devastation of Driving Under the Influence, served as a powerful reminder of the lives forever changed by impaired driving and the urgent need for continued awareness and prevention.

Hearing directly from victims and their families was both heartbreaking and deeply impactful. Their courage in sharing their stories underscores why we must remain committed to protecting our communities and holding offenders accountable.

We stand with victims, honor their stories, and reaffirm our collective efforts to save lives.

THOMAS GLOBAL SYSTEMS 70TH ANNIVERSARY AND EXPANSION OF IRVINE FACILITY

Congratulations to Thomas Global Systems on its 70th anniversary and the successful expansion of its Irvine facility.

It is an honor to have such a powerhouse in the aerospace and defense industry right here in Orange County.

During the celebration, my Community Outreach Director, Saga Conroy, was pleased to present a certificate of recognition to Chairman William Hutchinson, CEO Angus Hutchinson, COO Andrew Hutchinson, Australian Defense Attaché Air Vice Marshal Carl Newman, and Australian Consul-General to New York, Ms. Heather Ridout.

Thomas Global's investment in our local economy and high-tech workforce is a significant win for our region. Strengthening the strategic partnership between the United States and our Australian allies remains essential to our national defense and our future readiness.

Here is to many more years of innovation and success!

CALIFORNIA FIRE MUSEUM GRAND OPENING

My Field Representative, Pat Buttress, attended the grand opening/ribbon cutting of the California Fire Museum & Safety Learning Center in its temporary headquarters at the retired Orange Fire Station 1 in Old Towne Orange.

Pat presented a certificate of recognition on my behalf to Museum President Hiddo Horlings and Museum Committee Director Randy Marsile.

Congratulations on your grand opening, and for providing a space for the public to learn about the history of firefighting in California.
