Thank you for subscribing to my newsletter. Please share it with any of your friends who might be interested in the county and what we can do to be helpful.

I hope you all enjoyed your Memorial Day weekend, and participated in one of the many community celebrations across the county to honor our fallen heroes.

In other news, the county's eagerly awaited biennial Point in Time Count was released on Monday, showing a 13.7% decrease in homelessness overall, and a 27% decrease in unsheltered homelessness.

Also, I am proud to announce that the Board approved my allocation of \$250,000 to the Veterans Legal Institute, which supplements the work of our Orange County Veterans Service Office to our large Veteran community in Orange County.

With June just around the corner, I look forward to what summer has to offer!

IN THE NEWS

PRESS RELEASE: BOARD OF SUPERVISORS APPROVES SUPERVISOR WAGNER'S \$250,000 ALLOCATION TO THE VETERANS LEGAL INSTITUTE

(Santa Ana, CA) – At Tuesday’s Board of Supervisor’s meeting, the Board approved Supervisor Don Wagner’s allocation of Third District discretionary funds to the Veterans Legal Institute.

“I am delighted that this gift of \$250,000 to the Veterans Legal Institute has been approved by my board colleagues,” said Supervisor Wagner. “As veterans across Orange County struggle with housing and obtaining their well-deserved benefits, the Veterans Legal Institute supplements the work of our Orange County Veterans Service Office by delivering coordinated, community-based legal care that reaches veterans early, before issues become crises. This allocation of Third District discretionary funds fills a vital funding gap for services that our veterans desperately need, and I am proud to provide this relief.”

Since taking office, Supervisor Wagner has been a vocal advocate for Orange County’s veteran community, spearheading the effort to establish a Veterans Cemetery in Gypsum Canyon, as well as making services more accessible to Orange County veterans.

BOARD PRESENTATIONS

WATER SAFETY AND DROWNING PREVENTION MONTH

At the May 19 Board of Supervisors meeting, the Board recognized May as Drowning Prevention Month.

We were joined by the Orange County Fire Authority and Jasper Ray Foundation Board of Directors, who play an instrumental role in ensuring community safety around this issue.

Each year, hundreds of Orange County residents end up in emergency rooms due to drowning incidents, reminding us how urgent prevention efforts are.

According to the Orange County Fire Authority, there were 78 reported drowning incidents in 2025. Thirty-six were fatal. Every one of these 78 represents a family and a community affected.

I want to recognize the Jasper Ray Foundation for its dedication to drowning prevention. I also thank OCFA, the Orange County Drowning Prevention Coalition, and our Health Care Agency, who promote water safety through education, awareness about local aquatic hazards, and life-saving skills like safe rescue and CPR.

As a community, it's our shared responsibility to prevent drowning and promote water safety. By working together, we can save lives and protect families.

IN THE COMMUNITY

35TH ANNUAL EL TORO MEMORIAL DAY OBSERVANCE

On Memorial Day, I joined the El Toro community in Lake Forest to honor our fallen troops and present a certificate of recognition to local USMC combat veteran and pastor, Greg Munck.

I want to thank the City of Lake Forest, our local nonprofits and our veteran community for holding this special event for the past 35 years to honor those who made the ultimate sacrifice to defend our cherished freedoms.

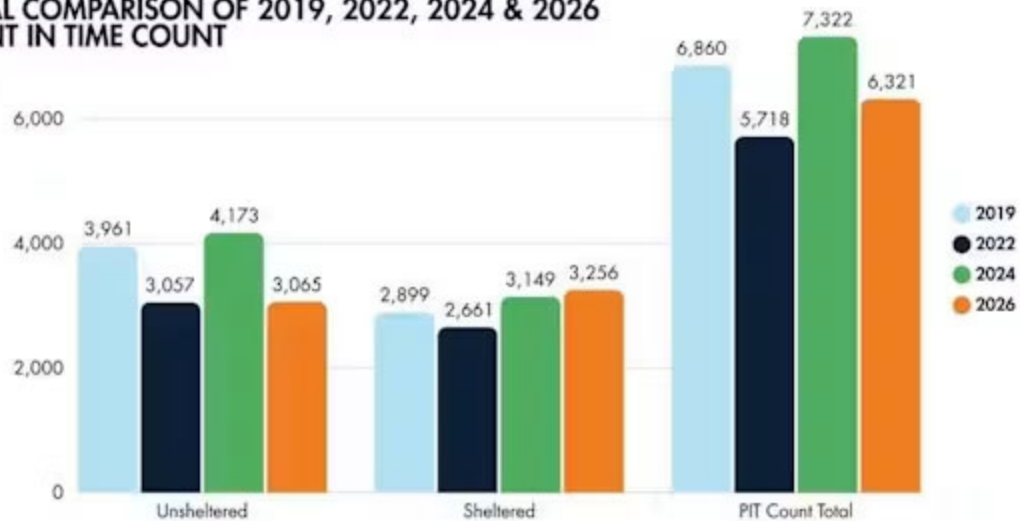

From Lexington and Concord and the 'shot heard 'round the world' to the desert sands of Iraq, Afghanistan and beyond, Americans have answered the call to serve across generations.

We honor and remember these brave souls who gave their lives in service to our nation.

2026 POINT IN TIME COUNT

TOTAL COMPARISON OF 2019, 2022, 2024 & 2026 POINT IN TIME COUNT

On Monday May 18, Orange County's Office of Care Coordination released its eagerly awaited biennial Point in Time (PIT) Count. This year's count showed meaningful progress from across Orange County.

* When compared to the 2024 PIT Count, Orange County reports an overall 13.7% decrease in homelessness.

* The unsheltered population decreased by 27%.

* And in a major accomplishment, more of our homeless are now sheltered rather than on the street.

* The increase in the shelter count is made possible by the cities and non-profit community investments in emergency shelter programs, and by those on the

street showing a willingness to engage in services and programs.

In a state experiencing dramatic increases in homelessness in recent years, seeing our county's decrease in the homeless population speaks to the power of our local coordinated care system under the dedicated direction of Office of Care Coordination Director Doug Becht.

I am especially proud of and thankful to the more than 900 volunteers who filled more than 1,300 shifts, working across the County in the early mornings and late evenings over three days to make this count a reality.

BILL HEWITT RETIREMENT

Bill Hewitt has concluded his tenure on the Orange County Workforce Development Board (OCWDB). I was pleased to attend his final meeting and to thank him for his dedicated service as my appointee.

In partnership with the Orange County Board of Supervisors, the OCWDB oversees the County's workforce development activities and establishes programs that respond to local labor market needs. These efforts include providing labor market information, employment and training services, and business assistance. Central to this work is a network of Workforce Solutions Centers (formerly One-Stop Centers), satellite locations, and youth employment and training programs throughout the County.

The OCWDB designs and implements programs for businesses, adult job seekers, dislocated workers, and young adults, working closely with education, business, labor, economic development, and other partners committed to preparing Orange County's workforce for a growing economy.

I have known and respected Bill for years. I appreciate him putting his enormous talents to work on behalf of the county. Without dedicated individuals like Bill, the County's boards, commissions, and committees could not function effectively.

ORANGE MAY PARADE

I was delighted to once again participate in the Orange Chamber Foundation's May Parade on Saturday, May 2.

Villa Park resident Bill Baker drove his 1957 Cadillac convertible for me to ride in and wave to the 7,000 people lining the parade route.

Thanks to all who came together along with the City of Orange to make this a wonderful celebration.

ANAHEIM CHAMBER LUNCHEON

I delivered the invocation at the Anaheim Chamber of Commerce's luncheon at Angel Stadium. After last year's invocation was followed by 5 wins in 6 games, we're hopeful it brings another Angels win streak!

The event featured a special interview with Los Angeles Angels pitcher Brent Suter, highlighted local little league teams, and showcased the impactful work of The Priority Center, which provides life-changing programs to help vulnerable individuals and families in Orange County break cycles of trauma through early intervention, mental health services, and crisis support.

ARMY RECRUITING BATTALION COMMANDER FAREWELL DINNER

My Chief of Staff, Tara Campbell, and Community Outreach Director, Saga Conroy, attended the farewell dinner at the Richard Nixon Presidential Library and Museum for the incoming and outgoing US Army Southern California Recruiting Battalion Commanders, LTC Eddie Alvarez and LTC Drew Mumford, and presented certificates to both of them.

I appreciate these two men's leadership and dedication to strengthening our troop numbers, and their honorable service in defense of our nation.

We wish LTC Alvarez the best at his new duty station, and look forward to working with LTC Mumford in future community events!

AMERICAN RED CROSS HEROES AWARDS LUNCHEON

The American Red Cross of Orange County held its annual Heroes Awards luncheon at the Richard Nixon Presidential Library, honoring local individuals who embody the spirit and mission of the American Red Cross. KTLA's Chip Yost served as the master of ceremonies.

Pictured: My Field Representative, Al Tello, with KTLA reporter Chip Yost; Becky Firey, Executive Director of the American Red Cross of Orange County; and Wing Lam, Founder of Wahoo's Fish Taco.

Certificates of recognition were presented on my behalf to all the honorees, whose stories are truly inspirational.

OC CLERK RECORDER APOSTILLE POP UP

Orange County Clerk-Recorder Hugh Nguyen's office hosted an Apostille Pop-Up Shop at the County administration offices in Santa Ana. Anyone needing to have their records authenticated for international use had the opportunity to do so at this one-day event. My staff stopped by to hello.

Apostille services authenticate the signatures of California public officials on documents that will be used outside the United States. Attendees were able to have birth certificates, marriage certificates, single-status certificates, educational records, and other documents authenticated on the spot. Normally, individuals would need to travel to Sacramento or Los Angeles to obtain an Apostille.

Congratulations to OC Clerk-Recorder Hugh Nguyen and his staff for hosting this event, as well as many other outreach efforts that benefit Orange County residents.

For more info, visit www.ocrecorder.com

TUSTIN COMMUNITY FOUNDATION'S SUPERHEROES OF TUSTIN CELEBRATION

My Policy Advisor, Al Murray, represented my office at the Tustin Community Foundation's "Superheroes of Tustin" celebration last week, where he presented a number of certificates of recognition to participating organizations and individuals.

The event was well attended and Mayor Austin Lumbard, as well as other City council members, were in attendance.

Congratulations to all those involved making a difference in the Tustin community!
