Thank you for subscribing to my newsletter. Please share it with any of your friends who might be interested in the county and what we can do to be helpful.

We're well into August, and so many events have already taken place. It was a pleasure to support the City of Mission Viejo with its efforts around the upcoming Olympic and Paralympic Games in 2028.

I was also honored to co-chair the Southern California Leadership Council meeting with former Governor Gray Davis, where regional leaders gathered to discuss mutual issues facing our communities across Southern California.

Lastly, I was happy to join the Newport Beach Chamber of Commerce and Supervisor Katrina Foley for its annual State of the County discussion to update the business community on recent developments in Orange County.

It has been a productive month so far, and I look forward to the rest of the summer season!

IN THE NEWS

PRESS RELEASE: ORANGE COUNTY INTERNAL AUDIT DEPARTMENT RELEASES PHASE 2 OF THE FORENSIC AUDIT OF COUNTY CONTRACTS RELATED TO ANDREW DO

(Santa Ana, CA) – On Wednesday, August 12, the County's independent contracted auditor, Weaver and Tidwell, completed Phase 2 of the forensic audit of County contracts, especially including those involving disgraced former Supervisor Andrew Do.

Phase 2 of the investigation inspected over 680 contracts, totaling in \$1.7 billion. In that review, five contracts were flagged for scrutiny. Supervisor Wagner is grateful for the work that was put into Phase 2 of the independent external forensic audit.

“Weaver and Tidwell’s investigations have uncovered further questionable details about contracts that Supervisor Do was involved in during his time on the Board,” said Supervisor Wagner. “I appreciate the work of Weaver and Tidwell, and our Internal Audit Office, in uncovering potential additional abuses of taxpayers’ dollars in our county government. The Board and I want to ensure that we take all precautions to safeguard our county from this ever happening again. I look forward to continuing with Phase 3 of the forensic audit, ensuring that we have caught every malfeasance by Supervisor Do and any of his affiliates.”

Supervisor Wagner remains committed to upholding transparency and accountability throughout this process and will continue to keep the public informed as new developments arise.

THE MORNING ANSWER

The Morning Answer

Last Minute Bait-and-Switch by Rob Bonta for Prop 39 Ballot Measure Language

HOSTED BY JENNIFER HORN

I joined Jennifer Horn on The Morning Answer to discuss the last minute bait-and-switch made by Attorney General Rob Bonta to intentionally alter the language for Prop 39 in order to make it less appealing to voters.

You can listen to our conversation [here](#).

IN THE COMMUNITY

STATE OF THE COUNTY WITH NEWPORT
BEACH CHAMBER OF COMMERCE

I joined the Newport Beach Chamber of Commerce and Supervisor Katrina Foley for a State of the County discussion at the Balboa Bay Club in Newport Beach.

We discussed numerous issues, including John Wayne Airport, supporting local businesses, and wildfire preparedness, amongst other topics.

Thank you to Steve Rozansky and the Newport Beach Chamber of Commerce for hosting this sold out event and giving me the opportunity to update the community on vital county issues.

CO-CHAIRING SOUTHERN CALIFORNIA LEADERSHIP COUNCIL

I co-chaired the recent Southern California Leadership Council meeting alongside former California Governor Gray Davis.

The Southern California Leadership Council brings together government, business, and community leaders to advance the region's economic vitality and quality of life.

During this meeting, members discussed wildfire recovery, rebuilding, and long-term resiliency, including updates from state legislators on California's insurance challenges and insights from fire chiefs on wildfire prevention and emergency response. The Council also explored key economic sectors and opportunities that will help strengthen Southern California's regional economy and create pathways for continued growth.

Thank you to all our regional partners for participating in such an important meeting to discuss issues facing Southern California.

ALLOCATING \$100,000 TO MISSION VIEJO FOR ITS 2028 OLYMPIC AND PARALYMPIC GAMES INITIATIVES

My office allocated \$100,000 to the City of Mission Viejo for its Olympic initiatives in preparation of the 2028 Olympic and Paralympic Games.

I was honored to present the check to Mayor Wendy Bucknam at the city's Symphony in the City event this past Saturday with the Pacific Symphony Orchestra.

I was also a sponsor of the Symphony in the City event where the theme was USA 250.

I look forward to seeing Olympic events and viewing parties take place right here in Orange County in two years!

MEETING WITH NEW CHP COMMANDER

Last week, I sat down with the new Commander for CHP - Santa Ana, Captain Gus Torres to discuss law enforcement issues in my district and around Orange County.

Orange County is blessed to have such professional and dedicated law enforcement personnel ensuring the safety and security of our communities.

Thank you Captain Torres and all of the California Highway Patrol officers for your service to Orange County!

FAREWELL TO AMBASSADOR MICHELLE STEEL

Late last month, I joined newly appointed US Ambassador to South Korea, Michelle Steel, for her Farewell Dinner before she left to represent our country's interests abroad.

I am beyond proud of Michelle, with whom I had the honor of serving on the Board of Supervisors, and also got to see firsthand how well she represented Orange County in the US House of Representatives.

I have no doubt that she will serve us well as our Ambassador to South Korea.

OC SHERIFF'S DEPARTMENT TOUR

My District Director, Scott Voigts, and Community Outreach Director, Saga Conroy, joined the Mission Viejo Chamber of Commerce for an exclusive look behind the scenes of the Orange County Sheriff's Department's Mission Viejo station.

This tour offered an incredible perspective on the technology, coordination, and public safety operations that keep Mission Viejo and our entire county secure.

Seeing firsthand how intelligence, emergency response, and advanced technology come together was eye-opening.

Key highlights included:

- OCSD Real-Time Operation Center
- Orange County Intelligence Assessment Center
- The future OCSD Dispatch location
- OCSD Technology Center

A big thank you to the OCSD team for their transparency and for the vital work they do every day to protect our families. We are blessed to have such a dedicated, innovative team protecting our community.

SUMMER CONCERTS SERIES: BOY BAND REVIEW

Boy Band Review performed at Irvine Regional Park, as part of the free Orange County Parks Summer Concert Series. This band is from Chicago and played all the big hits from Backstreet Boys, NSYNC, Jonas Brothers, New Kids on the Block, and more!

Pictured is my Field Representative, Al Tello, with the band before the concert. If only he were wearing white, you might mistake him for one of the band members. I'm lucky to have fabulous college interns who helped staff our booth and greeted everyone who stopped by.

For more information about the free concerts and movies presented by OC Parks, visit OCParks.com.

MARIACHI NATIONALS

Every year, the Mariachi Nationals and Summer Institute welcomes students from across the country to study with—and perform for—some of the finest professional mariachis and educators in the nation.

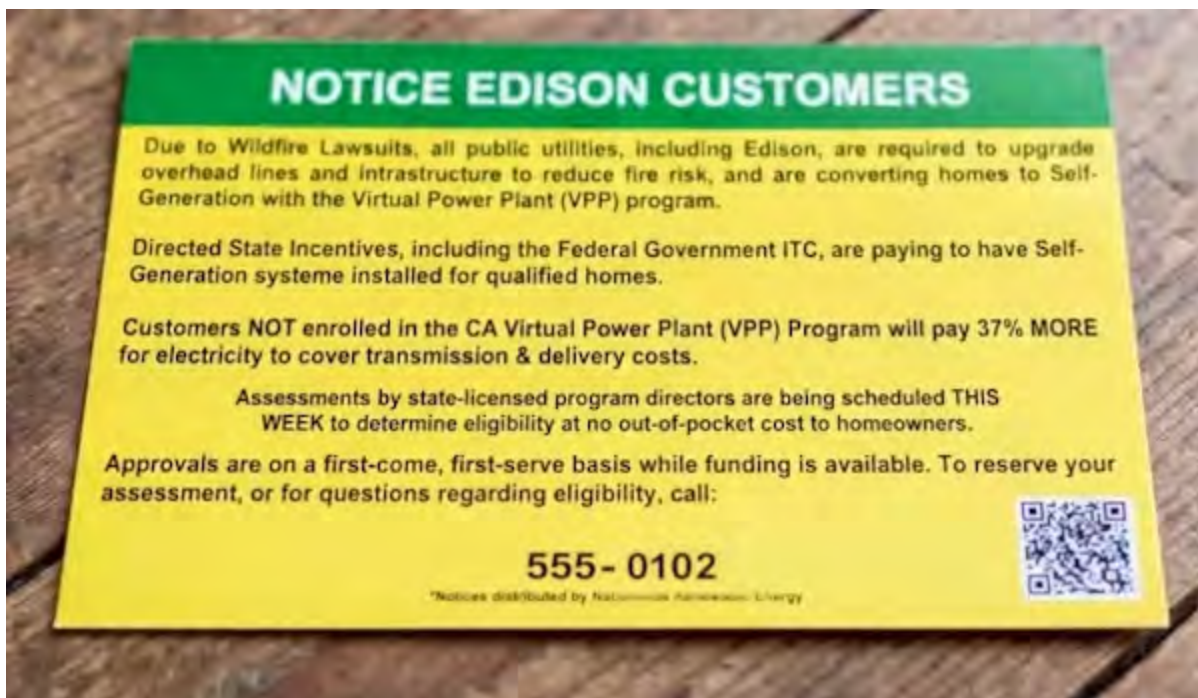

This annual event is organized by the Mariachi Heritage Society, a non-profit organization founded in 1991 by Grammy-nominated musician and Orange County resident José Hernández, to teach mariachi music, including its history and how to sing and play instruments, to students ages 7 to 18.

My Field Representative, Al Tello stopped in at one of the workshops. That's him pictured holding a guitarrón, a classic mariachi instrument.

The culmination of this weeklong event is the pageantry of the finals competition performances held at the Orange County Fair.

SO CAL EDISON LOOK-ALIKE SCAM

If you see a flyer that appears to be from or connected to Southern California Edison, make sure to look twice, as scams, like the image above, impersonating SCE have become commonplace. These impostors try to trick SCE customers into enrolling in or paying for programs that have nothing to do with SCE.
